March 22, 2021

Dear White Pine Families,

We have a positive COVID-19 case in first grade, as well as in kindergarten. Due to the close contacts that need to quarantine, White Pine Academy will be doing virtual learning until after spring break. Virtual learning will occur March 23-April 2, with the exception of March 26, as that is a scheduled day off. In person learning will resume for all students Monday, April 12.

We will be doing a Chrome Book pick up tomorrow, March 23 from 3-5 PM. If your student needs a Chrome Book, please send me a message, so we can have a Chrome Book ready for them. All work for the quarantine period will be online. Your child's teacher will be in contact tomorrow with details on how virtual learning will look.

Please contact me if you have any questions or concerns.

Thank you.

Ms. Dege
