

November 7, 2021

Dear White Pine Families,

We have two confirmed COVID-19 cases in the building. Based on the requirements of the Ingham County Health Department, all students in 2nd-8th grade are required to quarantine for 10 days. Given the amount of students required to quarantine, White Pine Academy will be closed from Monday, November 8 through Friday, November 12; there will be no virtual learning during this time. White Pine Academy will reopen, Monday, November 15. If your child tests positive for COVID-19, they must isolate for 10 days from the day of their positive test.

Thank you for understanding during these unprecedented times. Please contact me if you have questions or concerns.

Ms. Dege
