

White Pine Academy

Uniform Policy

The uniform policy will be strictly enforced this year. Students must follow the uniform requirements outlined in the handbook.

If students are out of uniform and one can not be brought to the school, gently used uniforms will be loaned to the student for the day.

Each time a student is out of uniform (which includes untucked shirts, no belt, etc) they will receive a demerit, along with their classroom consequence. After 3 demerits in a marking period, the student will then lose the privilege to participate in that month's school or classroom special event or activity.

Each Friday students may wear our new CREW T-shirt instead of the uniform polo, while still being in uniform. This is ONLY allowed on Fridays. If they choose not to wear the crew t-shirt, they must wear their polo uniform shirts. The last Friday of the month is still a Free Dress Day, where students are allowed to wear school appropriate clothes of their choosing.

Check under the school business section on the website for the uniform policy, dates that crew shirts can be worn and dates of dress down days

I have read the Uniform Policy and agree to abide by its guidelines, established by the White Pine Academy Board of Directors.
